Discussion: Patsy recommends the Board decide a % to set aside for investment. Toni suggested that \$20,000 should be a good amount to set aside for investing.

Jared is going to look into shooting sports training and costs associated. Last year we provided \$8,000.00

Currently, our financial requests including current meeting requests from Marla total \$29,000.00 Which would leave \$2,000 in unallocated money. Suggested that it be left in the AVLO funds being transferred to Northrim bank. These funds and their destination will be tabled until there is a finance committee established in January.

Barbara Zimmerman moved to accept the budget as presented, Maury Skeele seconded all in favor, none opposed, 2025 budget approved as written.

Toni moved that Tanana district applies for the 2025 Loto, Maury seconded, all were in favor, none opposed, motion carried.

Registered Agent for Business: Barbara moved that Patsy Perkins be our registered agent for business. Patsy accepted. Maury seconded, all in favor, none opposed, motion carried.
